**2** OUCHES — 1 NIGHT

Troisgros

**Restaurant and hotel in the country.** Troisgros is located in the heart of the countryside, at the foot of a vineyard. It is made up of a farmhouse where guests are received, a kitchen workshop where products are transformed, a restaurant, Le Bois sans Feuilles, where sharing is experienced, and a large Italian-style house where relaxation may be had. All of these spaces have a modern soul and are surrounded by fields, woods, a lake, garden, and orchard. The taste of Marie-Pierre, and that of Michel and César, all guided by the simplicity in cooking, was without a doubt inspired by this new setting.

## Maison Pic

**Restaurant and hotel in town.** Take inspiration from the world of fragrance to create sauces with complex depths of flavour; evoke childhood memories by pairing orange blossom with carrots as a finishing touch; create a dessert that resembles a monochrome painting: Anne-Sophie Pic's cuisine, with its sensitive touch, is proud to be "feminine" in what is still a man's world. She is widely travelled, boasts a wealth of experience and seeks to share the emotions this brings - each and every one of this original and emblematic woman Chef's dishes is a work of creative art and she wants you to know its history. Similarly, the hotel boasts contemporary yet warm refinement and is set in a delightful Mediterranean garden.
