ASK THE SOMMELIER — DARRYL CHAN

## The Essence of the Surrey

**François Simon** - Have you got any cocktails to be in the mood of the Surrey? You know, that really fit it?

**Darryl Chan** - For the Surrey... Yes. I think I mentioned one, which was the Last Caress. The other one would probably be the Rose at the Bottom. It's a gin-based cocktail with Nolet gin. We use Lillet Rosé, a berry shrub, a pamplemousse liqueur, and at the bottom of the glass sits a nice wild rose petal jam. It's very sexy, just like the Surrey.
