ASK THE SOMMELIER — DARRYL CHAN

The Drink of Love

François Simon - We'd like to have a cocktail to be in love.

Darryl Chan - A cocktail to be in love with...

François Simon - With my girlfriend...much more in love.

Darryl Chan - A much-more-in-love cocktail... I think anything with champagne. Champagne is always best with that, so maybe a French 75. One of our cocktails is called the Last Caress, which is where we make a granita with Chartreuse, grapefruit, and infused juniper berries, and we top it off with champagne table side. That's a sexy cocktail.
