

**t** TASTE OF  
ASK THE SOMMELIER — DARRYL CHAN

## Darryl's Favourite

**François Simon** - And finally, I would like to know your favorite cocktail, so one you drink when you finish your evening...

**Darryl Chan** - Again, I love my cocktails, but after a full day of making cocktails, I love nothing better than a nice chilled Pilsner and a shot of whiskey. After that, I'm probably moving on to a daiquiri.

**François Simon** - OK, Darryl. Thank you so much.

**Darryl Chan** - Cheers, thank you.
