1 GENEVA — 1 NIGHT

(2 properties available)

Domaine de Châteauvieux

Restaurant and hotel in a vineyard. From the age of seven, Philippe Chevrier knew that he would be a cook. His childhood dream was nourished by the dishes created by his mother, who gave him a passion for good food. Philippe's dream has become a reality. This is an excellent reason to stop off in the heart of Satigny, Switzerland's largest wine-producing municipality. In this immaculately renovated former vine grower's farm, Philippe Chevrier and Damien Coche serve, amongst other treats, whole oven-baked John Dory, sauteed scallops in sepia ink, and Limousin rack of lamb baked in hay and aromatic herbs in a sealed casserole.

Weekly closing :
Monday and Sunday.

3 LENK-IM-SIMMENTAL — 1 NIGHT

(1 property available)

Lenkerhof gourmet spa resort

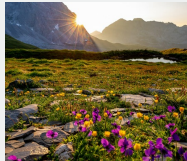

Hotel and restaurant in the mountains. At the end of the 17th century, the first spa hotel, the Bad Lenk, was built somewhat further downhill from the richest Alpine sulfur springs north of the Alps, the Balmen. Up until the turn of the millennium, sulfur was used as a remedy, and you can still drink it to this day. Historical documents and a mix of nostalgic spa room elements and modern architecture shape the Lenkerhof Gourmet Spa Resort, a first-class hotel offering a wide range of wonderful wellness treatments. The “7 Sources Beauty & Spa” is named after “Siebenbrünnen” (“Seven Springs”), the place from which the Simme River emerges, and is thus inspired by the energy and vitality of the spring. Enjoy genuine rejuvenating treatments in a setting of natural wood and natural stone. The splendid landscape of the surrounding area beckons you to enjoy the special joy of the mountains at any time of the year.
