

ROUTES DU BONHEUR Around Annecy, board sports and fine foods

Lake Annecy is a magnet. You can water ski, wakeboard, kite surf, row, or just let yourself be mesmerized by its silvery waves or sky bursting with fireworks. The city is celebrated as much for its pyrotechnic arts as for its superb animated film festival. As far as La Clusaz, this region gives pride of place to nature and the spirit of celebration. In winter, you can descend the slopes on a snowboard, a traditional sled called a “paret” or by skjoring, in which you are pulled along by horses. You can even dance to the rhythm of the DJs while savoring mulled wine...

2 VEYRIER DU LAC — 1 NIGHT

(1 property available)

Yoann Conte

Hotel and restaurant on a lake. This fine early 20th-century mansion on the banks of Lake Annecy is a rhapsody of blue and gold: the blue of the façade and the lake viewed from the terrace meets the golden yellow of the wood cladding the walls and the sun that shines into the guestrooms through the large picture windows. This house offers an intimate setting with a warm, cosy ambiance. And all around is resplendent nature, as celebrated by the Chef's cuisine. Since 2010, Yoann Conte, following in the footsteps of Marc Veyrat, has drawn his inspiration from the passing seasons and their plants to reinterpret local cuisine, serving, for example, fish from the lake with fresh herbs and alpine flowers.

Weekly closing :
